

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: January 23, 1996

SUBJECT: **HB 2028 - SB 2072**

This bill, if enacted, will authorize the Department of Revenue to establish a system of staggered registration renewals for commercial vehicles operating in interstate or combined interstate and intrastate commerce.

The fiscal impact from enactment of this bill is estimated to be a decrease in state revenues due to the ability of firms to register for less than the current minimum of three months. The amount of such decrease cannot be determined but is estimated not to be significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
